INTRODUCTION

Nuva NFT is excited to introduce our innovative recurring rewards NFT platform. Our new approach to NFTs revolutionises how nfts generate income streams. With our referral system and profit-sharing model, creators and collectors can benefit from a recurring income stream unseen in the NFT world.

Our approach to NFTs is designed to build a community of like-minded individuals who can create and grow a revenue-generating ecosystem that benefits them. This community-focused approach to NFTs sets us apart from other platforms. It will attract creators, collectors, and investors looking for innovative and sustainable ways to generate income in the NFT world.

Incredibly we have unified the platform for NFT enthusiasts to maximise their earnings. With this innovative development, users can utilise the same network to earn from all NFTs produced by nuva NFT, including highly sought-after nuva gaming characters. By leveraging the power of the same network, our users can tap into the full potential of nuva NFT and unlock new possibilities for revenue generation.
